Ruth Livingston

Designer Ruth Livingston stumbled upon a California Bay tree while hiking one day, and the **Branch** cocktail table was born. With a glass top, it features an arboreal base of hand-crafted, recycled steel finished in rust, oxidized, gunmetal, golden, oil-rubbed, or polished bronze, among others. Also available in a powder-coat paint finish for outdoor use. 415-435-5264; ruthlivingston.com.
